HEL PERFORMANCE CNC Hydraulic Brake Pump (MK-II, Handlever) Long

Art.Nr.: HEL-HTB-2-L

655,00CHF / pcs.

incl. 8,1% VAT plus 12,00CHF DHL-Shipping

 Only a few left in stock; ready for dispatch within 1-2 working days. Delivery time approx. 3-5 working days!

Product information

HEL-Performance® Thumb Brake Pump TB-2 - Long Lever (100 mm)

We're continuing to move forward with new products from HEL Performance. Next, we're introducing the new TB-2 thumb brake pump.

- The TB-2 is the successor to the already successful TB-1.
- With its many adjustment options, it should meet all your personal needs.
- The clamp is mounted directly on the handlebars—not on the fork, as was previously the case. The pump can be positioned as desired.
- The lever spacing can be conveniently adjusted at any time—just like on the radial brake pump—using the adjustment wheel.

Thumb, what more could you want!?!?!?

It is available in two versions:

- a) 13 mm piston diameter, HARTCOAT BLACK housing
- b) 13 mm piston diameter, HARTCOAT GREY housing

The lever itself is always supplied with a black anodized finish.

The clamp for mounting on the handlebar/stem has a 22mm diameter

Both the housing and the lever are milled from solid material at HEL Performance in Exeter (UK) using brand-new CNC machining centers.

Weight: Approx. 265 grams

Material: Housing / Lever = 6082-T6 aluminum, machined from solid
Pistons and screws = stainless steel

Housing: Black or gray hard-coated

Lever: Anodized

Package Contents:

- 1 x thumb brake cylinder with brake lever. 22-mm handlebar clamp, installation/maintenance instructions.
- 1 x M10x1.00 stainless steel hollow screw with copper sealing rings

Accessories (not included): Expansion tank and connecting hose

We've created an FAQ article on how to connect a thumb brake pump. [FAQ article: Thumb Brake Pump!](#)

#WhatsStoppingYou

Note: Brake pumps and calipers from HEL Performance are not compatible with Castrol's SRF Racing brake fluid! Using this brake fluid may cause seal failure under certain conditions.
